## **Water Skiers and Boaters in Lake Arrowhead to Receive More Leeway**

Today the Board of Supervisors approved an amendment to the County Code to change the restriction of water skiing and other boating activities from 200 feet to 150 feet in Lake Arrowhead. The current 200 foot restriction hinders motor safety because it severely limits the area available for such activities.

“I am glad we were able to help out those who enjoy skiing or other boating activities in Lake Arrowhead by giving them more room to enjoy the Lake, while making sure public safety remains our top priority,” said Third District Supervisor Dennis Hansberger.
